STANDARD POLICY TERMS

Choice of Law

This section is deleted in its entirety and replaced as follows:

Without regard to choice of law, if there is a disagreement concerning the interpretation and application of any provision in this policy, this policy will be interpreted and applied in accordance with Missouri law.

We have added the following to your policy as a new subsection under **STANDARD POLICY TERMS**.

GUARANTY ASSOCIATION

Missouri Property and Casualty Insurance Guaranty Association Coverage Limits

Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (the Act), if *we* are a member of the Missouri Property and Casualty Association (the Association) the Association will pay claims under the Act if an insurer involved with a claim becomes insolvent.

Payments made by the Association for covered claims will include only that amount of each claim which is less than \$300,000. However, the Association will not pay an amount in excess of the applicable limit of liability of the policy from which a claim arises. The Association will not pay any claims to an insured with net assets in excess of twenty-five million dollars on the date the insurer becomes insolvent. The Association will not return to the insured any unearned premiums in excess of \$25,000.00.

The claims covered by the Association are subject to the limitations of coverage provided by the Act, including but not limited to:

The association shall be obligated to the extent of the covered claims existing prior to the date of a final order of liquidation or a judicial determination by a court of competent jurisdiction in the insurer’s domiciliary state that an insolvent insurer exists and arising within thirty days from the date or at the time of the first such order or determination, or before the policy expiration date if less than thirty days after such date, or at the time the insured replaces the policy or causes its cancellation, if he does so within thirty days of such date.

These limitations have no effect on the coverage *we* provide under this policy.

The following **UNINSURED MOTORIST COVERAGE** is added to the policy.

UNINSURED MOTORIST COVERAGE

You only have this coverage up to the limits shown on the *declarations*.

Insuring Agreement

Subject to all provisions in this policy including, but not limited to, the **GENERAL DEFINITIONS**, and all provisions in this **UNINSURED MOTORIST COVERAGE** including, but not limited to, **Additional Definitions, Exclusions, and Coverage Limits**, *we* will pay compensatory damages which an *insured* is

legally entitled to recover from the *owner* or operator of an *uninsured motor vehicle* because of *bodily injury* that is (i) sustained by an *insured* and (ii) caused by an *accident*.

1. The owner's or operator's liability for these damages must arise out of the ownership, maintenance or use of an *uninsured motor vehicle*.
2. Any judgment for damages arising out of a suit brought without *our* written consent is not binding on *us*.

Additional Definitions

1. *Insured* as used in this **UNINSURED MOTORIST COVERAGE** means any of the following:

However, no claim will be denied based upon the *insured's* failure to provide notice to *us* within such specified time, unless the failure operates to prejudice *our* rights. The facts of the *accident* must be proven. *We* may request supporting evidence other than the testimony of the person making the claim under this or any similar coverage to support the validity of such claim. Failure of the *insured* or the *insured's* legal representative to report such an *accident* and to provide information requested concerning the *accident* shall result in a denial of coverage.
